

## How our system works

### **You meet with the family look through our marker catalog or a brochure**

- Please call for a free catalog of designs and brochures

### **You fill out the order form and FAX us the order**

- Fill out your contact and shipping info
- Circle the color & price
- Let us know what the design number is
- Write down the information to be put on the stone in the area provided

### **We do a scale drawing of exactly what the marker will look like; we fax it to you, usually by the next business day**

- Double check the drawing, make sure everything is right and FAX it back with a signature

### **We take the marker from our inventory, letter it, crate it and give it to the UPS driver**

- Usually it takes about 2-3 weeks from the time you fax back the drawing
- We ship out on Thursday and use UPS 2 day shipping INCLUDED IN YOUR COST

### **The marker arrives at your place of business and you deliver it to the cemetery**

- We guarantee our products 100%. If a marker arrives damaged we will RUSH a new one to you at no charge just as fast as we can make it.

### *Give it a try*

- *It's EASY*
- *It provides your families with a more COMPLETE SERVICE*
- *It will put some more **\$\$\$** in **YOUR** pocket.*

### **We can supply you with markers and monuments of any size and design**

Our prices are competitive, our quality is excellent and we have a professional, knowledgeable sales staff.
